Ayre Head

The new Ayre Codex, is equally at home as a stand alone DAC, DAC / Preamp combination or Headphone Amplifier / DAC. Encased in a sleek, elegant chassis and equipped with the latest Ayre technology, the Codex can blend seamlessly into any environment: from a simple desktop headphone system, to a high performance home audio setup.

A fully balanced signal path throughout the analog circuitry provides an inherently clean and quiet backdrop to your music. The zero-feedback design maintains all of the pace and rhythm of your favourite artist, rendering your digital music as effortless as if it were live.

Small packages can hold amazing surprises. Listen to the Codex and experience what Ayre and your music are all about.
