

## A low noise floor is fundamental, to great system performance

It is why, for over the past TWO DECADES, HRS has built a complete line of high-performance noise reduction products represented by the finest dealers and distributors in the world. More than THIRTY INDUSTRY-LEADING AUDIO COMPANIES use HRS audio stands to develop new products. They also use HRS products at major events, winning numerous Best of Show awards.

Each HRS product is based on THIRTY-FIVE YEARS of technical experience, input from a listening panel of engineers and musicians, then built by a team of expert craftsman. And, with an astonishing ONE HUNDRED AND SIXTY detailed processes, and quality control procedures, HRS ensures product quality is of the highest order, and so too are the results.
